10.5. Buyer agrees to indemnify Silvus against and hold Silvus harmless from, any and all damages, losses, expenses (including reasonable attorney's fees and costs of litigation on an ongoing basis) and claims by any other party resulting from Buyer's acts, omissions or misrepresentations, regardless of the form of action.

11. **CONFIDENTIAL INFORMATION**

11.1. For a period of five (5) years from the date of disclosure, each party agrees not to disclose any of the other party's trade secrets, confidential documentation, data designs or other confidential information, verbal or written, which may be conveyed to the receiving party from any source before, during or subsequent to the term of this Agreement. It is expressly understood and agreed that any such information conveyed to the receiving party is intended for the receiving party's internal use only and shall be protected by the receiving party with the same diligence, care, and precaution (but in no event less than reasonable care) that the receiving party uses to protect its own confidential information. In the event that any covenant made in this Section shall be more restrictive than permitted by applicable law, it shall be limited to the extent to which it is permitted. Nothing in this Section shall be construed as preventing damaged party from pursuing any and all remedies available for a breach or threatened breach of a covenant made in this Section, including the recovery of monetary damages from the breaching party (and/or its employees, directors, officers, and agents).
